Continuità cromatica dalle sfumature calibrate.

Arenite è una superficie ceramica a tinta unita con velature controllate che conferiscono profondità e naturalezza. La palette di sei colori contemporanei, neutri e trasversali, è studiata per garantire coerenza progettuale in ambito residenziale e contract.

Continuité chromatique aux nuances calibrées. Arenite est une surface céramique unie avec des voiles contrôlés qui lui confèrent profondeur et naturel. La palette de six couleurs contemporaines, neutres et transversales, est conçue pour garantir la cohérence du design dans les domaines résidentiel et contractuel.

Colour continuity with calibrated shades. Arenite is a solid-colour ceramic surface with controlled glazes that give it depth and naturalness. The palette of six contemporary, neutral and versatile colours is designed to ensure design consistency in residential and contract settings.

Farbliche Kontinuität durch abgestimmte Farbtöne. Arenite ist eine einfarbige Keramikoberfläche mit kontrollierten Lasuren, die ihr Tiefe und Natürlichkeit verleihen. Die Palette mit sechs zeitgemäßen, neutralen und vielseitigen Farben wurde entwickelt, um eine einheitliche Gestaltung im Wohn- und Objektbereich zu gewährleisten.

La profondità e il realismo della pietra.

Dorset è una superficie in gres porcellanato che esalta la naturale eleganza della pietra con sobrietà e raffinatezza, offrendo un'estetica equilibrata, adatta a valorizzare geometrie architettoniche e soluzioni di interior dal carattere contemporaneo.

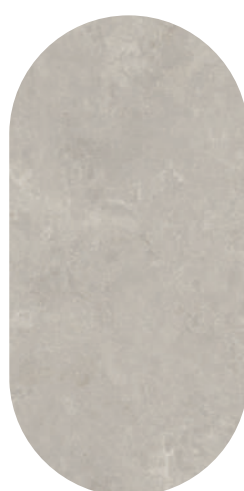

La profondeur et le réalisme de la pierre. Dorset est un revêtement en grès cérame qui exalte l'élégance naturelle de la pierre avec sobriété et raffinement, offrant une esthétique équilibrée, adaptée pour mettre en valeur les géométries architecturales et les solutions d'intérieur au caractère contemporain.

The depth and realism of stone. Dorset is a porcelain stoneware surface that enhances the natural elegance of stone with sobriety and refinement, offering a balanced aesthetic, suitable for enhancing architectural geometries and interior solutions with a contemporary character.

Die Tiefe und der Realismus des Steins. Dorset ist eine Feinsteinzeugoberfläche, die die natürliche Eleganz des Steins mit Schlichtheit und Raffinesse unterstreicht und eine ausgewogene Ästhetik bietet, die sich ideal zur Aufwertung architektonischer Geometrien und zeitgemäßer Innenraumlösungen eignet.

Cromie contemporanee e rilievi materici dinamici.

Trame è una superficie a tinta unita declinata in sei cromie, con fondi planari coordinati a strutture tridimensionali. Le texture donano profondità e movimento al colore pieno, ampliando le possibilità compositive in architettura e interior design.

Couleurs contemporaines et reliefs matériels dynamiques. Trame est une surface unie déclinée en six couleurs, avec des fonds plans coordonnés à des structures tridimensionnelles. Les textures confèrent profondeur et mouvement à la couleur pleine, élargissant ainsi les possibilités de composition en architecture et en design d'intérieur.

Contemporary colours and dynamic textured reliefs. Trame is a solid-colour surface available in six shades, with flat backgrounds coordinated with three-dimensional structures. The textures add depth and movement to the solid colour, expanding the compositional possibilities in architecture and interior design.

Moderne Farben und dynamische Materialstrukturen. Trame ist eine einfarbige Oberfläche, die in sechs Farbtönen erhältlich ist, mit ebenen Hintergründen, die auf dreidimensionale Strukturen abgestimmt sind. Die Texturen verleihen der Vollfarbe Tiefe und Bewegung und erweitern die Gestaltungsmöglichkeiten in Architektur und Innenarchitektur.

L'eleganza naturale del legno.

Lineare e sofisticato il nuovo legno di Saime si distingue per la sua nuova struttura sovrapposta alla grafica che amplifica la percezione materica e il realismo. Le trame uniformi di Heritage danno vita a spazi armoniosi e continui, pensati per chi desidera superfici essenziali ed omogenee.

L'élégance naturelle du bois. Linéaire et sophistiqué, le nouveau bois de Saime se distingue par sa nouvelle structure superposée au graphisme qui amplifie la perception matérielle et le réalisme. Les textures uniformes de Heritage donnent vie à des espaces harmonieux et continus, conçus pour ceux qui recherchent des surfaces essentielles et homogènes.

The natural elegance of wood. Linear and sophisticated, Saime's new wood stands out for its new structure superimposed on the graphics, which amplifies the perception of texture and realism. Heritage's uniform textures create harmonious and continuous spaces, designed for those who want essential and homogeneous surfaces.

Die natürliche Eleganz des Holzes. Das neue Holz von Saime ist linear und raffiniert und zeichnet sich durch seine neue Struktur aus, die sich über die Grafik legt und die materielle Wahrnehmung und den Realismus verstärkt. Die gleichmäßigen Strukturen von Heritage schaffen harmonische und durchgehende Räume, die für diejenigen gedacht sind, die essentielle und homogene Oberflächen wünschen.
